Spectacular 2023 by Krista Binnicker

Spectacular creates a safe, Christ-centered community where teens can discover God, their inherent worth, and share their giftedness. The Spec experience is a unique blend of arts, leadership, sports and worship. Some activities include a quizbowl, music, drama, volleyball, basketball, softball, pickle ball, table tennis and more.

2023 theme: "Wonder"

What: A youth camp for teens finishing 9th grade thru graduating 12th graders.

When: July 15 – 22, 2023

Where: Graceland University, Lamoni, IA

Covid-19 precautions: There will not be a requirement to show Covid-19 vaccination records this year. Headwaters Mission Center will require all campers/staff to test before arrival to transportation meeting spots. Each camper will be asked to bring an unused Covid-19 antigen test and a mask. As of right now, masking is not required but depending on local numbers at the time of the camp, masking indoors might occur.

Spectacular 2023 will have a closed campus again this year. Friends/Family will not be allowed to stop by the university to visit/watch games. It is for the safety and security of the campers.

For any graduating seniors who plan on attending Graceland University, there are several scholarships available that are given at Spectacular. Please let Krista Binnicker know if you are interested.

How to Register: There will be a two-part registration. You must complete a registration form with the Headwaters Mission Center as well as with Spectacular.

EDUCATION

Online Education Opportunities through the Center for Innovation in Ministry and Mission (CIMM)

The Center for Innovation in Ministry and Mission (CIMM, formerly Developmetrics) offers many ministry and priesthood classes in an online, collaborative format. Each class is 6—8 weeks long. A class facilitator grades your work each Sunday.

Often in the spring we need to scramble to offer the Registered Child and Youth Worker / Assistant training for newer camp staffers. CIMM is offering this training (CIMM0450). This class takes about 2 hours total to complete online. Students can start anytime during the CIMM session, but you have 2 weeks from your start date to complete the class. The cost is \$25. Financial assistance can be provided by the Mission Center.

Minneapolis Community of Christ Special Gathering

4847 Emerson Ave N
Minneapolis, MN 55430

**SATURDAY, JUNE 10, 2023
STARTING AT 9 AM**

All who have a connection to the Minneapolis congregation are invited to honor those who have led this congregation, grieve the loss of the building, all while celebrating what has been and what is to come.

Light lunch provided; please bring a side dish or dessert to share.

Many of you have a connection to the Minneapolis congregation and the importance it has had in the surrounding neighborhood. It was the mother church of the Twin Cities area and has birthed many other congregations and ministries. Out of this congregation, which was born in 1893 and purchased its current building in 1961, we have seen Feeding Branch II & III, Community VBS, and many community campfires & National Nights Out (to name just a few ministries over the years).

The congregation voted earlier this year to sell the building, to open up new ways of ministry in the area. They are excited to see where this new challenge will lead them as they learn to navigate some new missional waters.

With this new challenge ahead, we are asking for your assistance on June 10 beginning at 9 am. We will honor those who lead and have led this congregation in years past, grieve the loss of the building as we celebrate what has been and what is to come.

There are some items in the building that have particular significance that need new homes. Other things, that no longer serve a purpose will be gathered and appropriately discarded. In this sifting and sorting, we are asking for your help. Please join us, tell stories of days gone by, make new friends, laugh, cry and feel all the emotions that come with releasing the old and embracing the new.

Coffee, juice and donuts will be provided in the morning, and a light lunch will be provided too. Please bring side dishes or desserts to share. Let's support one another!

We Need Youth!

You are a generation of influencers and we need your help!
We want content creators to help teach and create videos and presentations using Claymation, Legos, or whatever else you think we might need! This year's reunion is all about being on the frontlines and what better way to bring YOUR FRONTLINE to life!?
Let's capture it on video and share it!

Be a part of the reunion action!
