Dear Lord,
Please comfort all those who are hurting emotionally; all those who are dealing with illness and injury; all who are heavy-hearted dealing with difficult situations; all who are anxious, worried or fearful. You are the God of all. You know each need. You hear each cry. You see each tear. Lord, may each person feel your nearness. May your spirit engulf them with your peace. May they feel their burdens be lifted from their shoulders. May they find rest and comfort in your arms.

In Jesus' name
- Amen

Yesterday was the 40th anniversary of the historic vote to include women in the priesthood. We celebrate the momentous decision made at the 1984 World Conference. This significant milestone marks a pivotal moment in our history, symbolizing progress and inclusivity within our community. We are thankful to the thousands of women who have courageously answered the call over the last four decades. Their dedication and contributions have enriched our faith and strengthened our church. Here's to continued progress and empowerment for all.

Great News - We raised half of our annual pledge amount with the first collection! However, we're not done yet. Please consider donating to this organization so the goal is easily met and exceeded. Checks are to be made out to Outreach International; nothing is required in the memo line. Place donations in the offering plate, or mail to Kevin Reed.
